

AUX

C-SERIES

The Only 1 Person
Install Mini Split*
Saving you time and money!

* Designed for easy, one-person installation

Key Features

- 4 Ways to Control
- Easy Installation
- Energy Saving
- Soft
- Easy to Service
- i-Clean

AUX's Mini-Split air conditioning systems provide comfortable, efficient cooling.

4 Ways to Control

Control from anywhere via our mobile app, hands-free Hello Lisa voice commands, (Seer 22 and 25 only) the included remote or optional wired wall controller

Energy Saving

ENERGY STAR certified to save you money. DC Inverter adjusts frequency according to the temperature difference to save energy

Easy to Service

Vertical PCB placement makes it easy to access and reduces damage rates. Quick removal of the indoor unit and outdoor unit PCB makes our unit one of the easiest to service.

Easy Installation

With an installation guide, plate support and built-in level, installation can be done with only one technician instead of two, reducing labor cost

Soft

Thousands of microvents produce gentle airflow while preventing drafts for ultimate comfort. Perfect to use while sleeping

i-Clean

Thoroughly clean indoor and outdoor units with new, 6-step automatic wash function that helps maintain optimal performance

Comfort Guaranteed
